## PASTOR'S CORNER

Beloved church family,

God has spoken to us of His unending love. From First John 4:7, John says, “Let us love one another, because love is from God, and everyone who loves has been born of God and knows God” (Holman CSB).

February often draws our attention to love, but as followers of Christ, we are invited to reflect on a love far deeper

than sentiment or season. Our church’s mission— “Extending God’s love without, impacting each generation to know and love Christ” – calls us to live out a love that reaches beyond comfort, convenience, and familiarity.

To extend God’s love without limits means being intentional—listening with compassion, serving with humility, and welcoming others with open hearts. It means creating space for relationships that bridge generations, where wisdom is shared, faith is nurtured, and hope is passed on.

Is God calling you to impact someone through encouragement, prayer or just your presence? Yes, He is. When we love this way, we make Christ visible in everyday moments.

Therefore, my beloved, may this month and this year draw us closer to Christ and to one another. It is not the time to give-up but to give in to being a church that lives out God’s limitless love, shaping hearts across every generation to know Him and to love him more deeply.

In Christ,  
Jesse L. Grice, Pastor
